- Afig

# Afig

**Animal:** Aphid

**Food:** Fig

**Journal Entry:**

**Appear Text:**

Congratulations! You've gotten an Afig to appear in your garden! It must have been attracted by the sight of your luscious grass and decided to investigate!

**Visit Text:**

You have a new Afig visitor. Afigs love having a field of grass to explore, and this garden seems to have piqued this one's interest enough to visit!
