

Piñatas - Mainland Native

- Afig

Afig

Animal: Aphid

Food: Fig

Journal Entry:

Appear Text:

Congratulations! You've gotten an Afig to appear in your garden! It must have been attracted by the sight of your luscious grass and decided to investigate!

Visit Text:

You have a new Afig visitor. Afigs love having a field of grass to explore, and this garden seems to have piqued this one's interest enough to visit!
